

Lift Zones

Comcast is partnering with nonprofit partners and city leaders to create safe spaces for students and families to connect and learn, creating more than **1,000** "Lift Zones" in community centers to provide Internet connectivity and a safe place for students and families to get online.

Over the next 10 years, Comcast is committing \$1 billion to reach 50 million people from low-income families with the tools and resources they need to succeed in a digital world. We'll do this by connecting people to the Internet at home, equipping safe spaces with free WiFi and working with thousands of nonprofit community organizations, city leaders, and business partners to create opportunities, particularly in media, arts, technology, and entrepreneurship.

1k
lift zones

Comcast is turning **1,000+ community centers into WiFi connected Lift Zones in 2021**, which will provide students with a safe place to study and access remote learning.

25M
hours

In 2021 alone, Comcast estimates students will be able to complete more than **25 million hours** of homework and remote learning lessons at the hundreds of Lift Zone locations that have already opened or will open soon.

\$1B

Over the next 10 years, Comcast is committing \$1 billion to reach **50 million people** from low-income families with the tools and resources they need to succeed in a digital world.

Ready for anything.
