

### Active Time Alerts

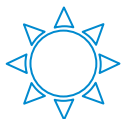

Parents can assign their kids a specific time allowance for WiFi usage.

### Pause Devices

Parents can instantly pause the WiFi connectivity to their child's device.

A nationwide survey\* of parents has found kids surf more web than waves in summer:

**92%**

think their children spend more time on devices in the summer

**76%**

say their kids are more addicted to their devices than candy

**74%**

wish that they could turn off their children's WiFi access

**73%**

put limits on the time their children spend on devices

**56%**

say teens are more interested in surfing the internet than the ocean waves

\*Commissioned by Comcast and conducted by Wakefield Research, among 1,000 nationally representative U.S. parents ages 18 and older between June 21 and June 25, 2018, using an email invitation and an online survey.
